re: GORMAN, et al.; U.S.S.N. 08/911,423 on MAMMALIAN CELL SURFACE ANTIGENS;
RELATED REAGENTS.

Dear Examiner TUNG:

Per our telephone conference of 23-JUN-99, enclosed please find an amendment and response after final. Note also, per our discussion, that Claims 10, 27, 29, and 38 have been canceled and New Claims 44-50 have been included to replace them. This substitution reflects the splitting of the former Markush grouping of these allowable claims into distinct and separate claims. There is a table in the response that show the correspondence between the old and new claims (pp. 9).

Sincerely,

Gerald P. Keleher
